White 'verification of licensure' cards enable employers to verify current licensure during the time period that a renewal is being processed. Please note that there is an option to request a fax verification of the license; which validates the nurse's name, license number and expiration date.

Each year a large number of renewal applications are returned to the Board office by the Post Office because of a change in address. The fact that the post office provides its customers with limited forwarding does not relieve the licensee of the responsibility of keeping the Board notified of changes in address. Licenses who fail to timely renew their licenses will be assessed a late fee. Additionally, licensees who continue to practice nursing in Idaho without current licensure, may be assessed an administrative fine of up to \$100 for each separate offense not to exceed \$1000.00.

## Check out your Employees.....use the Board's IVR

The Board of Nursing encourages the use of the Interactive Voice Response System (IVR) by employers to check current licenses of their employees and new hires. To access the IVR, available 24/7, call the main office number (208) 334-3110 and select the RN/LPN Licensure Information System. The numerical portion of the license number is required to make an inquiry. If necessary, an operator can be accessed by following the instructions (M-F/8-5 MDT).

**Please note: The IVR CANNOT verify temporary licenses or licenses for Advanced Practice Professional Nurses (CNM, CNS, NP or RNA). You can check these individuals by dialing '0' or extension 21.**

## Duplicate Licenses Issued

The following persons were issued duplicate certificates during the period April 1, 2005 – September 30, 2005

Original certificates were reported as lost, stolen, never received in the mail or were re-issued because of a name change. Duplicates are identical to original certificates with the exception of the word "DUPLICATE" on the license. Please notify the Board of Nursing immediately should anyone present one of these certificates without the word "DUPLICATE" printed on the document.
